

Why am I receiving this brochure?

Because you own property within the boundaries of the proposed city-designated Church Hill North Old & Historic district. You have a right to be informed and be a part of this important initiative.

Why is there an initiative to make my neighborhood a city designated historic district?

It's a response to many of our neighbors' desire to keep the historic character of the area intact. In addition, our neighborhood is not well-protected against demolition or delinquent properties, and there is very little we can do to control new development. With a historic designation in place, our neighborhood will grow responsibly while protecting the historic charm and beauty that makes Church Hill such a desirable place to live. We would all benefit greatly from this designation.
