

Church Hill Association's

2019 Holiday Weekend

Church Hill - Where Richmond Began

Church Hill, one of our nation's most historically significant neighborhoods, will host its Holiday Festival Weekend on December 13th and 15th 2019. Designed by Major William Mayo in 1737, historic Church Hill is Richmond's oldest intact neighborhood and contains the most antebellum structures in the city. Please join us to make new holiday memories with family and friends in our beautiful neighborhood!

Friday Evening, December 13th Candlelight Walk and Caroling

Co-hosted by the Church Hill and Union Hill Civic Associations, this family event is **free and open to all!** (Even pups on leashes.) Please bring candles and lanterns if you have them, or we will have mini candles for you.

- Meet at Jefferson Park by 7:15 pm
- Or by 7:35 pm at Patrick Henry Park across from St. John's Church
- St. John's Church also invites all interested to join them for a Vespers Service beginning at 7:00 pm

Bagpipers will lead us through our beautiful gas-lit streets, and neighbors will join us along the way. We'll arrive and gather in historic Libby Hill Park overlooking our wonderful James River and the View that Named Richmond. With the lights of the city as the backdrop, the crowd will gather for holiday caroling, a visit from Santa, and hot cider and cookies.

Please join us for this special evening with neighbors and friends!
